Information & Computer Science Department

SWE312 – User Interface Design

Semester 201

Due: November 30, 2020

Group Project

Phase 3 Part-B

Group # 5

Team Members:

Contribution:

<i>1- Nazeer Al-Filfil</i>	<i>20%</i>
<i>2- Jawad AlYousef</i>	<i>20%</i>
<i>3- Rayan Al Shahrani</i>	<i>20%</i>
<i>4- Ryan AlBilihi</i>	<i>20%</i>
<i>5- Mosab AlQarni</i>	<i>20%</i>

Evaluation Description:

This evaluation is for the PHTRS prototype, which is based on the criteria given below that were derived by the team to best suit the prototype. We decided to design the evaluation on a quantitative approach, due to how easy it is to measure. Questions can be answered with a rating ranging from 1 (Poor) to 5 (Excellent).

The Evaluation can be done in the following Google form link: [Evaluation Form](#)

Evaluation Scale				
1	2	3	4	5
Poor	Acceptable	Good	Verygood	Excellent

- **Structure**

Question	Out of 5:
Is the site layout easy to understand and use?	
Is it easy to get back to the home page or the top of a page?	
AVERAGE	

- **Use of Color**

Question	Out of 5:
Are colors attractive and appealing to most visitors?	
Do too many colors contribute to a messy look?	
AVERAGE	

- **Readability**

Question	Out of 5:
Are the pages easy for the visitor to read?	
Do the page elements follow a logical sequence?	
Are type fonts readable, attractive, and properly sized?	
AVERAGE	

- **Page layout**

Question	Out of 5:
Is there a good use of "white space"?	
Are elements sized and arranged to fit within the browser window?	
Are the links easy for the visitor to spot?	
AVERAGE
